

JOINT WEBINAR EVENT

Overview of the Indonesia's Anti-Corruption Law & How to Best Mitigate the Risk

To provide an overview of the Anti-Corruption Law in Indonesia and how organizations can navigate the respective risks, Dentons HPRP, a leading law firm in Indonesia, and Kroll, the leading independent provider of risk and financial advisory solutions, will present a virtual discussion that includes the framework of the Anti-Corruption Law, best practices, and the framework related to the anti-bribery system. The discussion will cover frequently asked questions and case studies related to bribery cases. During the discussion, a qualified attorney in Japan and the NY States will provide a brief overview of a legal update on Anti-Bribery of Foreign Public Officials in Japan.

SPEAKERS

- **Timothy Joseph Inkiriwang** (Partner, Dentons HPRP): Overview of the Anti-Corruption Law in Indonesia
- **Kohei Omi** (Of Counsel, Dentons HPRP): Anti-Bribery of Foreign Public Officials in Japan
